

# PATROL BOX INVENTORY FORM

**BSA Troop 128**  
**McLean, VA**

<b>Inventory Dates</b>			
<b>Patrol</b>			
<b>Inspectors</b>	1.  2.		

**Instructions:**

1. Patrol boxes should be inventoried three times:

- First:** At least two meetings before a campout or other event. This gives time to resupply the box.
- Second:** Shortly before the event, after resupply, to ensure the patrol is prepared for the event.
- Third:** After the event, prior to return to the Quartermaster.

2. Two people from the patrol do the inventory.

3. Record the date of the inventory in the space provided.

4. Carefully review the contents of your patrol box. Record the condition:

✓	Good Condition
B	Bad Condition
M	Missing
\$	Need More

5. Make a shopping list of all needed items.

6. Advise the Troop Quartermaster of any missing equipment.

**PART I. THE BOX**

Is the patrol box clean and in good condition? Provide comments if needed.
